Description:

This engaging book follows the travels of Italian explorer Christopher Columbus. Historical information and high-interest fact boxes are presented in an entertaining tabloid style as Columbus navigates his way to the New World. Topics include what led Columbus to become an explorer, early beliefs about the geography of the world, life on sea voyages, failed colonies, and the legacy of Columbus.

LOTS of information about the explorer in this book! Great for adding fast facts in your lessons, if you are a teacher!
